**DEPARTMENT OF FISH AND GAME FISHERIES RESTORATION GRANT PROGRAM
2010 PROPOSAL SOLICITATION NOTICE WORKSHOPS**

This year's Solicitation and Application Form are available on our web page at <http://www.dfg.ca.gov/fish/Administration/Grants/FRGP/Solicitation.asp>. There are many changes in this year's PSN. You will need to download the 2010 Solicitation as a reference document to assure compliance with the Department of Fish and Game's proposal requirements. Please attend and bring with you a copy of the Solicitation to one of the workshops listed below.

In order to be considered for the 2010/2011 funding, proposals submitted by mail must have a U.S. POSTAL SERVICE POSTMARK no later than April 8, 2010. Proposals delivered by any other means (FEDEX, U.P.S., etc.) including hand delivery must be delivered no later than April 8, 2010, at 3:00 p.m. Applicants must use the 2010 FRGP Application form to be considered.

In recognition of the need to respond to questions and to help guide the preparation for sound restoration proposals, the Department has scheduled the following workshops for your assistance. Workshops for information on the Fisheries Restoration Grant Program will be held as follows:
